

EXMOOR RURAL HOUSING NETWORK*

DO YOU WORK OR LIVE
ON EXMOOR?

DO YOU NEED TO MOVE
TO A NEW HOUSE?

How you can help...

You may be able to help someone with a housing need.

For example, do you have some land or a redundant building or a holiday let that could be used to help someone who needs alternative housing?

How we can help...

Using our expertise we work closely with Parish Councils, individuals, the National Park Authority and voluntary agencies to help more people find solutions to their housing needs.
