

8.19 Application made under a planning condition

These applications can be subject to notification and consultation as would any planning application.

Requirements

An application for any consent, agreement or approved required by a condition or limitation attached to a grant of planning permission must-

- a) Be made in writing to the Local Planning Authority and must give sufficient information to enable the Authority to identify the planning permission in respect of which it is made; and
- b) Include such particulars and be accompanied by such plans and drawings, as are necessary to deal with the application.

Discharge of condition

You should clearly indicate the materials/details that are being submitted for approval. In some circumstances (e.g. when seeking approval of a large number of materials) the submission of individual samples (or collectively show on a materials sample board) may be appropriate.

Part discharge of condition(s)

If the details being submitted only discharge part of a condition(s) then this should be clearly set out together with a description of that part of the condition to which the application relates.
