

FOOTBRIDGE CLOSED

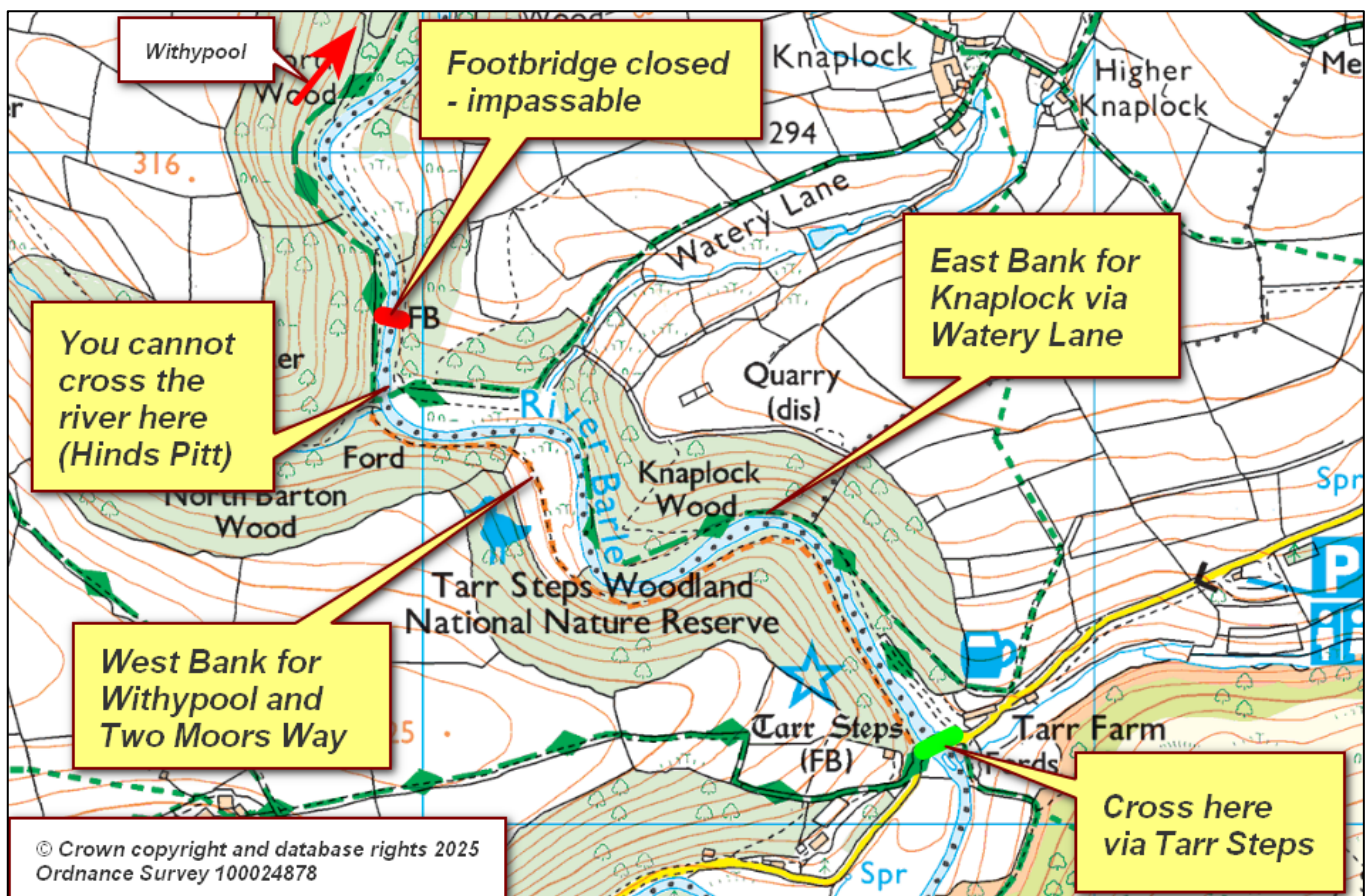

FOR PUBLIC SAFETY

Circular route not possible

You can still walk on both sides of the river but you cannot cross at Hinds Pitt and do a short circular walk.

The only crossing point available is at Tarr Steps shown in green.

For short walks we recommend the Knaplock Wood (East) side of the river.

For Withypool & Two Moors Way, please use the west bank

For Knaplock via Watery Lane, please use the east bank
