Welcome

With nearly 400 acres of water, Wimbleball has something for everyone. It's a place where you can walk, fish, sail and cycle, or just simply relax with a good cream tea and enjoy the views. Wimbleball is the first Dark Sky Discovery Site within the Exmoor National Park International Dark Sky Reserve.

Walking and Bird Hide

There are many miles of paths following the shorelines of the lake, including a 9 mile circular walk. There's also a wealth of wildlife to watch and discover, so whether you're looking for a leisurely stroll, an active cycle ride or a more challenging walk, whatever your ability, there is something for everyone at Wimbleball. An all-terrain 'Tramper' mobility scooter is also available to hire from the café for those with limited mobility.

Dogs on leads welcome
