

8.9 Photographs

Background

Applications are scrutinised by many bodies such as statutory consultees and Parish Councils who may not have the opportunity to visit the site. Photographs of the application site provide a valuable tool for understanding and appreciating the character of a site and the related proposals by all in the process and help to speed up determination of the application.

Requirements.

That photographs appropriate to the application proposal be included within the submissions. They should include relevant elevations of the building and its setting and can be used to demonstrate the suitability of the development proposals. For Listed Building applications, the photographs should cover all the elements that are to be altered / replaced including internal areas. Any building or part of a building to be demolished should to be photographed.

Please note that the photographs will form part of the application submission and will be included in the application file and on the Authority web site and be available for public inspection.
