Farming in Protected Landscapes

Transparency of Funding

The following is a list of all Exmoor's approved Farming in Protected Landscapes (FiPL) grants awarded in Year 4 of the programme 2024-2025.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Everard Partners	Dulverton	£14400.00	£36000	27/06/2024	31/03/2025
EX149: FiPL is funding the installation of a steel drying floor to aid the drying process of chipped coppiced hedge cuttings to produce woodchips suitable for burning in biomass boilers. The project promotes sustainability by using cuttings that would normally be classed as a waste product and creating a renewable source of fuel. The farm plans to sell bags of the dry chips creating a new stream of income for themselves whilst supplying local boilers.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Holnicote Estate	Minehead	£6688.91	£6688.91	15/05/2024	31/03/2025
EX153: Sowing wildflower areas within two grassland fields adjacent to the south of Tivington Wood, and fencing small coups for wood pasture regeneration to improve conditions for a successful Wood White butterfly introduction.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Exmoor National Prk Authority	Simonsbath	£13502.00	£13502.00	01/08/2024	01/10/2024
EX159: Restoration of revetment wall in Ashcombe gardens. Both a functional retaining wall and a garden feature – which supports both the main path around the garden as well as a water carrying leat. Through this project the wall, which is collapsing, will be dismantled and repaired, and the stone slabs reinstated over the leat.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Good Vibes Veg	Minehead	£7797.39	£8997.17	01/05/2024	31/03/2025

EX160: This phase of the project aims to reach more of the community with the produce grown. By upgrading their growing techniques and tools and offering an additional 16 educational visits for local school and community groups.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Graze the Moor	Molland	£20564.83	£27664.83	08/05/2024	31/03/2025

EX161: funding ecological assessments and a small mammal survey as well as continuation of payments for activities such as Molina cutting, grazing management, stock diaries and economic evaluations to continue gathering evidence to help understand how to manage Exmoor's heather moorlands.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Exmoor National Park Authority	Dulverton	£22384.50	£26248.50	23/04/2024	31/03/2025

EX162: Additional funding through FiPL will enable the capacity for information from the survey to be fed back to every moorland owner across Exmoor in the form of bespoke moorland bird plans which will give full information on all bird data gathered on each moorland site including an assessment of the importance of the site and habitat recommendations for key moorland bird species plus production of a moorland bird pocketguide which will be available to all.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
East Harwood Farm	Timberscombe	£12,953.47	£13,075.00	01/08/2024	31/03/2025

EX164: Restoration of an ancient archaeological feature that will help prevent flooding further down the Avil valley and bring ecological benefits, such as, increasing insect and lepidoptera populations and improving biodiversity.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Exmoor Horn Sheep Breeders Society	Park- wide	£1,682.17	£3,036.79	27/06/2024	31/03/2025

EX165: Second phase of the Exmoor Horn Genetics Plan. FiPL has helped to fund the collection and storage of semen and embryos from selected Exmoor Horn sheep to represent the breed in case of a disease outbreak or other catastrophic event that would put the breed at risk of extinction. This stage is for semen to be collected from tups to increase the amount of genetic material preserved.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
West Ilkerton Farm	Lynton	£7048.00	£7048.00	01/08/2024	31/03/2025

EX166: Purchase of a branch logging machine to process brash from hedging to make use of it in a biomass boiler and wood burner. This can log hardwood of up to 130mm diameter, cutting it into lengths of 140 - 280 mm as required. "

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Coombe Farm Partnership	Exford	£19203.05	£20373.81	28/05/2024	31/03/2025
EX167: Additional 40 educational access visits to the farm, rubber grass mats, wipeable chairs, 4 x picnic benches, 2 x event tents and fire pit benches.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Lyn Climate Action	Lynton	£9,070.91	£9,623.30	01/07/2024	31/03/2025
EX169: Creation of a community orchard of 35 heritage and local apple varieties and a one-hectare wildflower meadow on land owned by Lynton and Lynmouth Town Council.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
May Brothers	Kentisbury	£460.00	£920.00	01/06/2024	31/08/2024
EX170: Conduct botanical surveys on 63ha of grassland on multiple parcels within Exmoor National Park at Chapman Barrow to identify new areas of species rich and good quality semi-improved grassland that can be added to the NE Priority Habitat Inventory. The suitability of these new grasslands for maintenance or restoration payments under current agri-environment schemes. Working with the landowner to appropriately manage and improve the grassland areas and build understanding of their biodiversity and value.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
A D Dunn	Kentisbury	£7,893.80	£7,893.80	01/08/2024	31/01/2025
EX171: Restore a 20-metre bank that has been eroded enforce the bank with a structure to prevent the erosion reoccurring and to fence the bank off and plant the top of the bank with native trees.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
West Ilkerton Farm	Lynton	£28,480.00	£55,620.00	01/08/2024	01/03/2025
EX172: To make tours of West Ilkerton Farm accessible to everyone, whatever level of mobility, by purchasing a purpose-built access trailer, resurfacing degraded entrance lane with reinforced tarmac. The lane is well-used as a public bridle path and is also used by other farmers. And raising awareness that the tours are easily accessible through leaflets and a website.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Dulverton Weir and Leat Conservation Trust	Dulverton	£2,700.00	£2,700.00	15/07/2024	31/07/2024

EX173: Replacement of 4 yds of brick-built wall with traditional stone-built structure, keeping with adjacent historic stone walling which is in a highly visible position in the centre of Dulverton.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
The Exmoor Game School	Park wide	£23,736.16	£44,623.20	01/09/2024	01/03/2025

EX174: To re-engage the children and families of Exmoor and the surrounding area with the food they eat, nature and farming in protected landscapes. This project provides free game preparation and cooking classes to children and families in the local area.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
DL + EL Wallace Farm Partnership	Dulverton	£1,664.00	£2,080.00	01/09/2024	31/10/2024

EX175: Anchor herd Movement control installation of a double gate and kissing gate at Vale Hill cattle grid to ensure ponies stay on correct grazing areas.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
DN and PR Rawle	Barnstaple	£58,308.00	£58,308.00	01/09/2024	31/12/2024

EX176: Covering of open cattle collection and feed yards to reduce dirty water run-off.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
May Brothers Ltd	Challacombe	£2,823.09	£4,122.00	01/09/2024	01/10/2024

EX177: The existing original water tank is leaking and it is under continual pressure. It needs to be replaced with a new waterproof tank to appropriately supply the farm and livestock with clean, fresh water.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Exmoor National Park Authority	Dulverton	£30,842.22	£37,776.42	01/09/2024	31/03/2024

EX180: Improvement works to the existing permitted path by realigning it along the leat itself making it as easy as possible for the public to use. The path will allow access along the historical leat, helping people to understand the sawmill operation and providing an opportunity to engage with nature and the landscape, and explain land management in this location.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
---------------	------	--------------------	--------------------	--------------------	------------------

Longstone Wells Farm	North Molton	£23,890.59	£26,103.99	30/09/2024	15/02/2025
EX181: Providing the farm as an autumn grazing site for commoners, with this helping with the management as we deliver a range of habitat restoration projects in tandem with this grazing. This project is broken down into 7 parts: -Project 1: 25 x orchard trees in double cactus guards -Project 2: 50 x upland wood pasture trees in double cactus guards -Project 3: 96m of new hedgerow to create a linking corridor along the river valley -Project 4: A number of wildlife boxes to enhance the biodiversity of the farm. -Project 5a and b: Wetland and leaky dams enhancement plus wetland plants -Project 6: Meadow restoration -Project 7: Community engagement					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
The Exmoor Society	Dulverton	£9,841.12	£12,301.40	01/10/2024	30/03/2025
EX182: Exmoor Farms will create a historic record of hill farming on Exmoor. It will show the contribution farming makes to Exmoor's culture and landscape, examples of nature and climate friendly farming, and introduce a much wider audience to the story of farming in the National Park. It is already fostering pride and a sense of achievement in the farming community as they adapt to a challenging future.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
National Trust	Selworthy	£94,633.00	£118,286.00	15/07/2024	15/10/2024
EX183: The restoration of a Grade II Listed, 18th Century, local vernacular Cow House and restoration of a local vernacular early 19th century farm machinery shed					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Great Nurcott Farm	Winsford	£191,924.36	£242,675.00	17/06/2024	29/11/2024
EX184: Restoration of an historic listed bank barn to include: Substantial masonry repairs, cobble floor repairs, lime ash floor repairs, removal of internal sand and cement render and replacement with lime render, making good existing lime render, lime washing internally, joinery repairs to the first floor joists, substantial replacement of decayed first floor boards, replacement of corrugated asbestos roof with reclaimed welsh slate, removal of sand and cement pointing, and the repointing of the entire barn, new cast iron rainwater goods, new doors and frames to all openings.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Dulverton Weir & Leat Conservation Trust	Dulverton	£4,300.00	£4,300.00	15/10/2024	31/10/2024
EX186: Replacement of 4 yds of red brick-built wall with a traditional stone-built structure in keeping with adjacent historic stone walling in a highly visible position in the centre of Dulverton.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Mrs Johnston	Bentwischen	£2,903.60	£3,532.00	15/01/2025	30/01/2025

EX187: Planting of a diverse assortment of 18 native trees and shrubs (wild pear, wild cherry, crab apple, rowan, silver birch, hawthorn, willow, sweet chestnut, dogwood, holly, spindle, alder buckthorn, dog rose) some individually scattered, some in clumps across the pasture and in the hedgerows. The species will be selected to feed, shelter and support as wide a range of birds, insects, amphibians and small mammals as possible

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
M R and P Cooke and O Matthews t/a Messrs Cooke	Witheil Florey	£8,262.40	£9,362.75	01/11/2024	30/11/2024

EX188: Permanent electric fencing and water infrastructure to allow mob grazing for soil health. The holding has trialled this mob grazing approach on a small area of the farm and now wishes to extend the mob grazing on some larger field parcels.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Great Nurcott Farm	Winsford	£17,146.33	£17,146.33	01/11/2024	28/02/2025

EX190: Continued restoration of historic leat to irrigate traditional water meadows. Additional creation of wood pasture on steep ground. Restoring two traditional orchards by planting 17 fruit trees, predominantly apples on M25 root stock and protecting with cactus guards. The purchase of 15 single catch squirrel traps to be used in collaboration with the Exmoor Non Native Invasive Species (ENNIS) project to control squirrels at three locations. Reinstatement of partially collapsed stone faced bank.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
With the Wild CIC	Roadwater	£6,623.71	£29,680.00	01/01/2025	01/02/2025

EX191: Supply and installation of 1 Polytunnel to enable the increased production of fruit, vegetable and salad crops as part of the Community benefit Market Garden operated by With the Wild CIC. Supply and installation of rainwater harvesting IBC tanks for irrigation use, use as mobile water bowsters and for the preparation of organic compost and ground preparations for no-dig beds.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
DJ, EA & MJ Bray	Parracombe	£3,617.60	£3,617.60	01/11/2024	28/02/2025

EX195: to fence a small area of field circa 0.4ha and to create a small orchard. 20 trees and guards.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
D F & P A Bawden	Hawkridge	£14,693.00	£14,693.00	31/10/2024	01/03/2025

EX196: to repair 90m of stonefaced hedgebank on an historic exmoor upland farm.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
---------------	------	--------------------	--------------------	--------------------	------------------

L.C and C.A South	Lynton	£7,013.16	£9,273.16	01/10/2024	31/03/2025
<p>EX197: Project 1- Orchard restoration. There is a historic orchard on the farm that the applicants would like to restore to the original condition. The orchard has had heavy deer damage despite tree guards in the past. The plan is to clear away the bracken and overgrown scrub, repopulate the orchard and protect the trees from deer and other grazing animals.</p> <p>Project2- Stone wall restoration. Restore a historic stone wall indicative of the Exmoor landscape.</p> <p>Project 3- Bracken control- Funding towards a topper capable of bracken and scrub control. Recently there has been a very sharp rise in the amount of bracken and Molinia encroaching on heather moorland and in by land. Approval from Natural England and SSSI consent through the CS agreement has been granted to top as a form of management.</p> <p>Project 4- Purchase some more slides for worm eggs counts for livestock. Currently already carrying out egg counts with a lot of success and have been able to gauge efficiency of wormers and create targets worming regimes to ensure the right wormers are being used at the right time. The applicants have also been doing worm egg counts for neighbours and have found that most farms in this area hold a resistance to white drench.</p>					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Williams	Minehead	£7,513.50	£7,512.60	01/12/2024	15/02/2025
<p>EX198: Planting 0.5ha of wildflowers and laying two hedges, totalling 216m of hedge. Installing one wooden field gate.</p>					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Moorland Mousie Trust	Dulverton	£19,014.31	£24,146.02	20/11/2024	28/03/2025
<p>EX199: To plant 100m of appropriate hedging along entrance access to Exmoor Pony Centre – improving equine welfare, visitor safety, encourage new insect and small mammal species and improve biodiversity generally (attract pollinators etc)</p> <p>Replace 15-year-old stock trailer for equine transportation and add specific adaptations for moving Exmoor ponies</p> <p>Purchase mobile electric fencing with appropriate batteries and solar panels (enhance the work of the MMT), effectiveness and safety when working remotely on the moor). Restricting access of Exmoor ponies to some areas of sites and stock proofing boundaries where perimeter fencing is not secure</p> <p>Purchasing 16 durra corral panels for containing Exmoor ponies for handling and loading to enhance the MMT's work, effectiveness and safety especially when working remotely on the moor.</p>					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Westermill Farm Holidays Ltd	Exford	£5,000.00	£6,250.00	01/11/2024	31/03/2025
<p>EX201: Restoration of an existing Pond that has over time silted up due to sediment coming down the stream that feeds the pond. To drain the pond with what water there is in it then dig out the silt and remove. Reinststate the outfall and silt trap with a bypass for water if there is a flood. Cut back tree growth around the edges of the Pond to allow better access for visitors. allow the pond to fill naturally and hopefully encourage wildlife to occupy it for the next 50 plus years .</p>					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Tarr Steps Farm	Hawkridge	£500.00	£500.00	16/10/2024	31/03/2025

EX205: This project aims to overall improve the biodiversity of the grasslands of the farm, as well as improving habitat connections from Hawkridge to the River Barle by sowing of yellow rattle seed.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
PH & ME Buckingham	Dulverton	£16,275.36	£21,828.86	15/10/2024	31/03/2024

EX206: Constructing 1,287m of stock netting livestock fencing, installing 5 new water troughs with hard bases, 740m of new pipework and 517m of new livestock and machinery hard surface tracks.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Hindon Farm Partnership	Minehead	£1,520.00	£3,800.00	16/10/2024	31/01/2024

EX207: Baseline surveys of soils, water, biodiversity, carbon emissions and sequestration, animal welfare, and producing a plan of improvement.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
B W Westcott	Minehead	£8,380.00	£10,475.00	01/03/2025	31/03/2025

EX209: To establish and maintain herbal lays and low input grassland with an Einbock 5m Pneumaticstar Harrows and Seeder.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Ada in Porlock	Porlock	£5236.79	£7223.10	01/11/2024	31/03/26

EX210: Restoration of the historic landscape envisioned by William King and Ada Lovelace in 1830's. This is restoration of the original line of the path to the viewpoint, to reveal the view as intended with a small amount of tree planting (7 trees). Volunteer element includes equipment to start up a works party to maintain the path and landscape into the future.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Porlock Manor Estate	Porlock	£1,008.00	£3,000.00	01/11/2024	31/03/2025

EX211: Resurfacing of 2 existing gravel car parks at the top of Porlock hill

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Mr & Mrs K Weil	Cutcombe	£3,446.68	£4,113.58	01/10/2024	30/12/2024

EX214: Purchase equipment including electric fencing and movable water bowzers to enable grazing at old Stowey. The introduction of holistic grazing at Old Stowey will improve the soil and by increasing the amount of organic matter it will also enhance carbon sequestration and water retention in the summer and freer draining in the winter.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Taylor	Challacombe	£1,494.00	£6,088.00	20/12/2024	31/03/2025

EX216: : To create new hedges alongside boundary fencing using whips from Devon wildlife Trust.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Parracombe Parish council	Parracombe	£4,962.88	£6,200.00	11/11/2024	31/03/2025

EX218: To improve old quarry field to make space for nature, with crown lifting of beech trees and creation of wet scrapes. Also includes some fencing of the boundary and an interpretation board. All works suggested by Devon Wildlife Trust who have put together a report for Parracombe Parish Council with recommendations for the land.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Parracombe Parish council	Parracombe	£6,554.66	£3,482.66	11/11/2024	31/03/2025

EX219: As part of the 'Wilder Parracombe' project undertaken by the parish council, the pleasure ground has been selected as an area to improve for wildlife and for access. The activities include some siding of mature beech trees and costs to allow volunteers to be trained in the safe application of pesticides to treat a large stand of Japanese Knotweed.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
D&P Harkin Partnership	Lynton	£7,223.10	£7,223.10	01/12/2024	15/12/2024

EX220: To thin and lay 210 m of old hedgerow and bank up where necessary. Plant mixed hedge plants and guards in the weak areas 400 plants. Fence 300 m to protect reinstated hedge

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Shallowford Farm Partnership	Lynton	£9,042.36	£9,042.36	01/11/2024	31/03/2025

EX221: To provide water troughs in fields to minimise cattle traffic in steam, and to improve grazing management. Installing drinking troughs in fields to allow better grazing management as water will be available to cattle in all fields, and will also minimise cattle traffic in the stream as water will be available in troughs. The applicant previous application addressed issues with dirty water in the yard and holding areas. This phase of the project takes the roll out of water quality management to the wider area of the farm.

Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
TW & SM Stevens	Wheddon Cross	£3,881.42	£3,881.42	15/11/2024	28/02/2025
EX222: To fence off 276m watercourse to prevent poaching by livestock- to improve the quality of the watercourse and to also create a buffer strip- the vegetation will be allowed to regenerate, so improving connectivity between habitats and improve biodiversity					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Ash Agri	Wheddon Cross	£7,938.74	£12,650.00	01/12/2024	15/12/2024
EX223: Water Infrastructure improvements to allow rotational grazing. Current old pipe and pump is not fit for purpose and cattle are grazing large areas with access to river Quarne for drinking. The water infrastructure will increase ability of applicant to graze stock in rotation. The items requested for funding are new 10,000l water tank, 340m of pipework and new Papa pump to move water.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Explore Exmoor	Roadwater	£1,308.67	£1,249.41	10/11/2024	30/01/2025
EX224: This project is for some additional items to enhance a small market garden business in Roadwater. The applicant would like to plant 15 x fruit trees to create a small orchard, and 10 x hedgerow trees to improve biodiversity along the hedge line.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
West Slowley Farm	Luxborough	£3,325.60	£3,325.60	30/11/2024	30/03/2025
EX225: 370m of fencing to allow grazing of county wildlife site with cattle					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
D & P Harkin Partnership	Lynton	£7,797.30	£9,965.10	22/01/2025	31/01/2025
EX226: To thin and lay 270 m of old hedgerow and bank up where necessary. Plant mixed hedge plants and guards in the weak areas 750 plants Fence 270 m to protect reinstated hedge This links up with a similar FiPL project that was carried out here last year.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date

National Trust	Brendon	£10,232.80	£10,232.80	09/01/2025	28/03/2025
EX227: essential repairs to the building known as the stable block at Malmsmead. In the timeline to March 25, repairing the roof structure and replacing the tin sheets to ensure the stability and weather proofness of the building, prior to funding being secured from other funding sources.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
D F & P A Bawden	Hawkridge	£5,795.15	£7,295.67	21/02/2025	31/03/2025
EX229: to renew the sheep pen at the back of the sheep shed at Cloggs farm. This yard is immediately north of the Danes Brook Field LWS and water is running through this field into the Danes brook. A water tank will be installed to catch water running off the shed. Additional fencing around the new water tank to protect it.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Exmoor National Authority	Simonsbath	£1,323.00	£1,323.00	01/03/2025	21/03/2025
EX230: To plant 300 trees in an open area of Balewater wood, and to trial Trico deer repellent as an effective method of repelling deer from eating newly planted whips.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Exmoor National Authority	Simonsbath	£7,350.40	£10,106.80	01/03/2025	31/03/2025
EX231: Planting 220 trees in cactus guards to create 3.2ha of wood pasture					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
Wood Advent Farm	Watchet	£18,482.73	£18,482.73	01/03/2025	31/03/2025
EX233: The project is the next phase in the agroforestry planting plan at Wood Advent. In 2022 the first trees (walnut, hazel and chestnut) were planted and this is for the next phase of the scheme of 933 trees into more of their organic crop rotation fields.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date
River Barle Fishing Club	Dulverton	£1,000.00	£2,000.00	15/02/2025	15/03/2025
EX234: Trimming of overhanging trees over the left and right banks of the River Barle, improving light penetration for habitat improvement and improve access for angling. Light penetration increase should improve bankside vegetation growth and so juvenile fish habitat.					
Business Name	Town	FiPL Grant Awarded	Total Project Cost	Project Start Date	Project End Date

Coombe Farm Partnership	Exford	£5,198.79	£11,490.99	15/02/2025	31/03/2025
EX235: Equipment for Farm School Exmoor including fold away tables, volunteer safety clothing, pasture meter to share learning about grass growth and 10 x educational visits at Farm School Exmoor.
