

In line with DEFRA and Public Health England Advice:

Maintain social distancing requirements:

- Ensure you keep at least 2 metres away from other people
- Try to avoid touching shared surfaces, such as gates and sanitise hands regularly
- Keep dogs under effective control near livestock and away from other people/dogs
- Leave gates as you find them
- Avoid farms and homes where possible
- Avoid busy places where it is harder to keep your distance

Thank you for your co-operation
