WORKING TOGETHER
 TO REVIVE AND
 RESTORE MEADOW
 LANDSCAPES
 ACROSS EXMOOR

6

- Working with nearly 90 landowners and groups to restore wildflowers across Exmoor.
- Provide support, guidance, and wildflower seed to sow.
- The project has helped to restore or create wildflowers in over 450 hectares so far, that's about 630 football pitches!

7

- Working with community groups and schools to sow seed and educate about how important meadow are.

8

Appeal:

- Funding from different sources, including Farming in Protected landscapes programme.
- CareMoor for Exmoor Sowing the Seeds appeal

Your donations to CareMoor help us work with communities across Exmoor to create and restore species-rich grasslands.
